## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1, and 3-8 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

the allowability recites at least in part: the latching member further comprises: a horizontal section, being attached onto the end surface, and having a protruded pillar on both side of the connecting section; a vertical section, being disposed at one end of the connecting section away from the horizontal section, and being perpendicular to the horizontal section; and a sliding track, disposed on the positions where the end surface and the protruded pillar being in contact for allowing the protruded pillar to slide thereon and restricting the moving distance of the protruded pillar or that the movably frame comprises a track bar on both sides of the end surface of the sliding frame, and a track with a shape and a size corresponding to the track bar being disposed on both sides of the opening in the box.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
